

SUN LAKES COMMUNITY THEATRE GUIDELINES FOR COVID-19 RESPONSE

Our first concern is for the health and safety of our members and patrons. Covid vaccination will be required for individuals participating in SLCT productions or attending other in-person events or activities until further notice (requests for exemptions, such as medical, will be addressed by the Board). Facial coverings or masks are not required but may be worn by personal preference.

For patrons at live productions, SLCT will follow the direction given by the hosting venue. Facial coverings or masks are optional but encouraged, particularly for those not vaccinated.

These guidelines are consistent with current CDC and State of Arizona guidance. The SLCT Board reserves the opportunity to revisit and/or amend these guidelines at any time.

Adopted by the Sun Lakes Community Theatre Board on June 8, 2021.
